---

**Prevention of Caste Based Discrimination in the Institution** The Government of India, Ministry of HRD, Department of Higher Education, New Delhi and University Grants Commission is continuously monitoring the Prevention of Caste based discrimination in Higher Educational Institutions.

In this connection, Prevention of Caste Based Discrimination Cell is formed in the Institution. The students can register their complaints against caste based discriminations in the Institution at the Admissions Office. A complaint register is available to register your complaints.

Initially the Administrative Officer and Training and Placement Officer is available to get solved the issues after discussing with the higher authorities. The students and staff can avail this facility.
