

ABOUT HITECH ENGG. COLLEGE

The Hitech College of Engg & Technology was established as a non-minority institution in the year 2002 at Gandipet, Himayatnagar village, Hyderabad by the Hitech Educational Society under the dynamic leadership of eminent administrator SRI K RAM REDDY, IAS (Retd.). This college is located in an eco-friendly campus overlooking the backwaters of Gandipet Lake (Osman Sagar). It is about 10 kms from the Municipal limits of the Hyderabad with easy access of 30 mins drive from Legislative Assembly Hall on the state Highway and very close to Historic Balaji Temple of Chilukuru and Swamy Narayan Gurukul. It is well connected city of Hyderabad through public and other modes of Transport. The college is presently offering five B.TECH programmes in the disciplines of EEE, ECE, MECH, CSE & IT. The college is also offering two P.G programmes of MBA & MCA. The college has well equipped laboratories, computing facilities and Library to provide quality education to students.

AIMS & OBJECTIVES

"VIGNANA PRADARSHAN -2010" is a technical programme, of one day competition aimed at bringing out the creativity and inherent talent of the students. The programme gives an impetus to the students to the National Level Competitions by igniting their young minds and providing platform for progressive technical ideas. In this process, technical papers are invited from the students in the fields of EEE, MECH, ECE, CSE, IT, MCA & MBA.

THE TECHNICAL CONTENTS

The technical contestants are required to forward full technical paper not exceeding (8) pages of printed matter inclusive of text, drawings, sketches, photos etc as per the IEEE format. The technical paper should include title, name of the participant(s), keywords in *italics*, aim, scope, procedure, analysis, results & conclusion. The technical paper in soft copy through Email, has to reach to the respective Email ids given in the poster. The format should be a word document with font size 12pts, font style "ARIAL NARROW", paper size A4 portrait, margins-left, right, top 1" & bottom 1/2". The paper must reach the organizing committee on or before 28-03-2010. The paper will be reviewed by the team of competent academicians drawn from respective fields and selected papers will be reconfirmed by Email on or before 30-03-2010.

GENERAL INFORMATION

- The Technical Symposium will be conducted in the College Campus.
- Power supply facility and computer support will be provided.
- The paper presentation contestants shall not exceed 2 member in each team.
